The OPF of each employee in a position subject to civil service rules and regulations is under the jurisdiction and control of, and is part of the records of, the Office of Personnel Management (the Office).

§ 293.304 Maintenance and content of folder.

The head of each agency shall maintain in the Official Personnel Folder the reports of selection and other personnel actions named in section 2951 of title 5, United States Code. The folder shall contain long-term records affecting the employee's status and service as required by OPM's instructions and as designated in the Guide to Personnel Recordkeeping.

[58 FR 65533, Dec. 15, 1993]

§ 293.305 Type of folder to be used.

Each agency shall use only OPFs from Office of Federal Supply and Services stock (Standard Form 66) for the folders required by this part.

§ 293.306 Use of existing folders upon transfer or reemployment.

When an agency hires a person who has served on or after April 1, 1947, in a position subject to this part, it shall request the transfer of the OPF pertaining to the person's employment. The folder so obtained shall be used in lieu of establishing a new OPF. In the event that the prior service occurred wholly before April 1, 1947, the agency shall request any files or records that may be located in the Federal records storage center. The request shall note that because of the dates of service there will likely be no OPF. Any such file or record found for this individual shall be incorporated into the OPF being established for the employee.

(a) When a person for whom an OPF has been established transfers from one agency to another, the last employing (losing) agency shall, on request, trans-

fer the OPF to the new employing agency.

(b) Before transferring the Official Personnel Folder, the losing agency shall:

(2) Transfer performance ratings of record and the performance plan on which the most recent rating was based from the Employee Performance File of PMRS employees to their Official Personnel Folder, if the ratings and plans are not maintained by the agency in the Official Personnel Folder; and

(3) Ensure that all permanent documents of the folder are complete, correct, and present in the folder in accordance with the Guide to Personnel Recordkeeping.

§ 293.307 Disposition of folders of former Federal employees.

(a) Folders of persons separated from Federal employment must be retained by the losing agency for 30 working days after separation, and may be retained for additional 60 days (90 days where administratively necessary, e.g., where an appeal or an allegation of discrimination is made or where an employee retires or dies in service). Thereafter, the OPF must be transferred to the General Services Administration, National Personnel Records Center (Civilian Personnel Records), 111 Winnebago Street, St. Louis, Missouri 63118.

§ 293.309 Reconstruction of lost OPFs.

Agencies will take necessary precautions to safeguard all OPFs. In the event of a lost or destroyed OPF, the current (or last, in the case of a former Federal employee) employing agency shall take the necessary action to reconstruct the essential portions of the OPF as specified in the Guide to Personnel Recordkeeping or other Office instructions.

§ 293.310 Response to requests for information.

The Office, or an agency in physical possession of an OPF in response to a third party Freedom of Information Act (FOIA) request may disclose information as provided in this subpart. A current employee's request for access to his/her own OPF (also included are employee performance file system folders and files) that cites the FOIA, as with all stated Privacy Act requests made by current employees, shall be processed in accordance with agency Privacy Act procedures consistent with Office regulations in part 297 of this chapter. All requests for their OPFs from former employees, and FOIA requests for former employee OPFs, shall be referred to the Office's regional or area office nearest to the location of the requester.

§ 293.311 Availability of information.

(a) The following information from both the OPF and employee performance file system folders, their automated equivalent records, and from other personnel record files that constitute an agency record within the meaning of the FOIA and which are under the control of the Office, about most present and former Federal employees, is available to the public:

(1) Name;

(2) Present and past position titles and occupational series;

(3) Present and past grades;

(4) Present and past annual salary rates (including performance awards or bonuses, incentive awards, merit pay amount, Meritorious or Distinguished Executive Ranks, and allowances and differentials);

(5) Present and past duty stations (includes room numbers, shop designations, or other identifying information regarding buildings or places of employment); and

(6) Position descriptions, identification of job elements, and those performance standards (but not actual performance appraisals) that the release of which would not interfere with law enforcement programs or severely inhibit agency effectiveness. Performance elements and standards (or work expectations) may be withheld when they are so intertwined with performance appraisals that their disclosure would reveal an individual's performance appraisal.

(b) The Office or agency will generally not disclose information where the data sought is a list of names, present or past position titles, grades, salaries, performance standards, and/or duty stations of Federal employees which, as determined by the official responsible for custody of the information:

(1) Is selected in such a way that would reveal more about the employee on whom information is sought than the six enumerated items, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy; or

(2) Would otherwise be protected from mandatory disclosure under an exemption of the FOIA.

(c) In addition to the information described in paragraph (a) of this section, a Government official may provide other information from these records (or automated equivalents) of an employee, to others outside of the agency, under a summons, warrant, subpoena, or other legal process; as provided by the Privacy Act (5 U.S.C. 552a(b)(4) through (b)(11)), under those Privacy Act routine uses promulgated by the Office, and as required by the FOIA.
